*Please call the salon to arrange a free consultation. All prices are starting prices and the price will be confirmed at the consultation stage by the individual stylist. **All clients must have an up to date patch test completed prior to any colour service. All colour prices are starting prices and the price will be confirmed at the consultation stage by the individual stylist. ** The price of colour services does not include a toner. Some colour services will require the use of more than one toner and each toner will be charged separately. **Colour prices do not include a blow dry but a complementary rough dry is provided with every colour appointment. Should you wish to have your hair blow dried following a colour service, you will be charged accordingly. **Colour Cleansing – This price is for one application, if multiple applications are required these will be priced per number of applications. Price may vary for longer or thicker hair.
